Happy Holidays! The Sacramento Diocesan Council, Society of St. Vincent de Paul, could not bring cheer to those in need this holiday season and every day throughout the year without the generous giving of time and service of our volunteers. Thank you, volunteers, and wishes for a Merry Christmas to you and your loved ones!

Meet Linda, from our Ozanam Resource Center

Linda Hamilton has become the welcoming face and voice of our Ozanam Resource Center, established in our Thrift Store, located at 2275 Watt Avenue in Sacramento. The Ozanam Resource Center connects those in need to assistance and provides information referral and education about available social services for individuals and families.

As volunteer Resource Coordinator, Linda volunteers time two days each week to be present on site to staff the Ozanam Resource Center. Linda helps coordinate responses for emergency requests for help. Using the telephone, and sometimes via email or text, Linda works with conferences and other help providers to link those in need to local services. Working with store staff, Linda has helped walk-in help requests. Linda also serves as our resource expert to support our network of conferences and to keep them informed about helping resources. *Thank you, Linda!*
