

Mentors Needed!

Support the Formerly Incarcerated

Exodus Project is looking for one-on-one mentors to work with men and women during the final months of their incarcerations and for six-months post-release. We welcome mentors from all walks of life.

Mentors offer non-judgemental listening, encouragement, and guidance. Mentors also provide practical support with obtaining housing, healthcare, and employment.

2324 L Street
Sacramento, CA 95816
